KidsHealth in the Classroom

Health Problems Series

Drugs

Name: **Date:**

Ease the Pressure

Instructions: With a partner, write a scenario in which a teen is being pressured to use drugs. Then act out your scene in front of your class. Use the questions below to get you started.

1. Describe your characters:

2. Describe the setting:

3. What drug is the person being pressured to use?

4. What's the situation? How is the character being pressured?

5. How will your character decline to use this drug? What strategies will he or she use?
