Role-Play Scenarios

Instructions: With a partner, discuss some situations where medicines are involved. Then role-play how to handle the situation safely.

1

You find pills on the counter. They are pretty colors and look like candy. What should you do? Act out your best and safest choice.

**2**

You get a headache at your friend's house. Your friend's mother offers to give you medicine. What should you do? Act out your best and safest choice.

3

You take some new medicine your doctor gave you. Then you get sleepy and don't feel very well. What should you do? Act out your best and safest choice.

**4**

You have a sore throat. Your friend offers to give you some medicine that her doctor gave her one time when she had a sore throat. What should you do? Act out your best and safest choice.

**5**

Your doctor gave you medicine for an ear infection. You've been taking the medicine and now your ear doesn't hurt anymore. You still have some medicine left. What should you do? Act out your best and safest choice.

6

You see your little brother or sister sitting on the floor playing with a bottle of pills. What should you do? Act out your best and safest choice.

**7**

Last night your dad gave you some pain relieving medicine when you had a headache. The medicine tasted really yummy! You wish you could have some more medicine so you think about telling your dad that your head hurts again, even though it doesn't. What should you do? Act out your best and safest choice.
